Thought for the Month:

As many people wiser than me have noted over the ages, true happiness can come from service to others and the friendships that come from our opportunities to work together. In 2024 we will increase our focus on active service in the community, even as continue to participate in fundraising and donations to our important causes in the community.

Lion Kevin

President's Corner

Fellow Lions and Friends, we have enjoyed a great Fall with the club. A very successful concessions season was combined with broom sales and our project with Caterpillar Ministries. We are now testing an additional fundraising opportunity with more to follow on that front. We have also been blessed with new members (welcome again to Lions Tina and Amber) and we have new guests visiting. On the financial front, we have never been in better shape, which will allow us to increase our service to the community. I look forward to seeing you all at the Christmas/Holiday/ End of Year Party. Yours in Lionism.

Lion President Kevin Davis

Welcome Newest Lion Amber McFern

Most of our members have met our newest Lion, Amber McFern, Sponsored by Lion Tina Behnejad. Lion Amber spent 4 years in the Navy where she lived in Puerto Rico for 3 years and Scotland for a year.

As a second career Lion Amber worked for the Dept. of Social Services, where she re-certified the seniors and disabled for Medicaid recipients, living in skilled nursing, and assisted living facilities retired in 2008. She left Social Services in 2008, after working there for 8 years.

She has lived in 8 states, but most of that time in Charlotte.

Lion Amber enjoys working out, going to the movies, spending time with family and friends, and recently started volunteering at a Spanish pre-school where she previously helped provide a Lions KidSight vision screening.

Lion KidSight Program Seeks Schools

If you know of a Pre-School, daycare, or another program, serving children, 6 months of age and up, that may be interested in KidSight Vision Screenings. Share KidSight program information with them or provide contact information to Lion Dave Shimberg.

If you are interested or know someone who is interested, in becoming a screener, contact Lion Dave Shimberg. Non-Lions are welcome to participate as well. Thank you to all who support and participate in our Lions KidSight program.

Fund Raising Opportunity with Dominos

Domino's Pizza provides pizza and sodas at Davidson College Basket Ball games using Dominos staff. They do not have sufficient staff to man the concession stand and have invited the Davidson-Huntersville Lions to staff the concession for them. DHLC will essentially be their subcontractor. The basketball concession sells only pizza and bottled drinks and Domino's will

pay the club 1/3 of the sales gross from each game. At least 3 Lions are needed for each of the remaining 13 Games between 11/25 and 3/1 (about 3 games/month. Please contact Lion Andrew Steever or John Wiley to help at games.

2nd Quarter Dues Invoices

By now you should have received a notice and Dues Invoice from Heidi Reckard, our Clubs bookkeeper. The dues for the second quarter at \$30, however, you can pay your entire annual dues of \$120 if you so choose. Dues may be paid to Davidson Lions Club and mailed to Davidson Lions Club, PO Box 73, Davidson, NC 28036. If you choose not to write a check consider using your online banking "Bill Pay" feature.

Club Visibility

Visibility is the key to attracting new members and community support. Signs, however, are not enough. To attract new members or financial support our club must be seen actively performing service projects that can be shown in local papers. Whether we help clean a senior’s yard, collect school supplies for kids, provide KidSight Vision Screenings, recognize local citizens, or partner with other groups to hold a health fair, the Davidson Huntersville Lions must be seen providing services. Think about projects that excite you or you think will excite others and share your ideas. Don’t reject an idea out of hand because it wasn’t accepted in past or seems “out there”
