- 2nd VP George Board
- Treasurer – Ron Williams
- Tail Twister – John Wiley
- Membership – Bob Elliott

Thought for the Month

People need people. Let us not forget the importance of human interaction and human touch. Let's be aware of our friends and neighbors who have not been able to get out and about for nearly two years now. A phone call, a visit, a hand on the shoulder. It makes a difference.

President's Corner

Fellow Lions and Friends, let's keep up the growth! It has been a great couple of months with new members and new visitors. And we are heading into Fall. This is the season where our club really shines. Football and Soccer concessions drive our fund-raising efforts, which enable us to serve our community. The concessions serve another very important function: **visibility!** These events are opportunities for many in the community to see Lions doing what Lions do: serve! Special thanks to Lions Andy Steever and John Wiley for leading these efforts.

Lion Kevin Davis
DHLC President

Lions Services Tour and Meal

Mark your calendar for Noon on Wednesday 9/15 for lunch and a tour of Lions Services, Inc. If you've never visited Lions Services (LSI), you've missed a signature accomplishment of Lions in Mecklenburg County. This agency, employing over 150 blind and visually impaired employees is chartered as a community agency under the Lions of Mecklenburg County. LSI provides dignified employment and training for workers and includes an eye clinic for those who might otherwise not get vision services they need.

Lion Bob Elliott is coordinating a Lunch visit to LSI. This is an opportunity to show our members, and hopefully some guests, what this agency does and means to its employees. Three of our club members are on LSI's Board of Directors. This will be a event to invite potential members and friends.

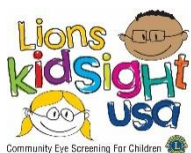

DHLC Website Is A Recruiting Tool

Our website shows not only our current meeting time and location, but our current officers, and lists our current scheduled meetings and events. Take a look, www.davidsonlionsclub.com. Make sure to keep let Lion Dave Shimberg know of errors or items that should be include on the website. This site is a highly visible tool that can help attract individuals to work with us on projects. People who participate in projects, and like what they do are more likely to be motivated to join us and become a Lion that those just invited to become a member.

DHLC Lions Volunteers at Love Denver

Lions Jan Steever and Dave Shimberg volunteered at Love Denver in District 31-L, with a **KidSight Screening**. We screened 23 children, ages 2 to 18. Three children were referred for eye exams.

Lion Marilyn Wunderler, 1st Vice District Governor of 31-L invited us to help the Lincolnton Lions with KidSight Screening because of our KidSight experience. Love Denver is an annual, multi-church sponsored, back-to-school themed, community medical clinic with a mission to "meet the spiritual and physical needs of those requiring our help."

Some Semi-Annual Dues Remain Outstanding

If you haven't already done so, please send your Semi-Annual Dues, \$60,. To Lion Treasurer Ron Williams. Make check payable to Davidson Lions Club and mail it to the Club at: P.O. Box 73, Davidson, NC 28036

Supporting Spanish Preschool Children

The Davidson-Huntersville Lions Club helps support La Escuelita Bilingual Preschool located in the Ada Jenkins Center in Davidson. This special school provides Spanish-speaking preschool children in the Lake Norman area a solid foundation for kindergarten and elementary school by teaching them basic classroom language and social skills, and exposing them to art, science and games. The school instills in them a love for learning in a safe loving bilingual classroom environment. In additon to our Lions Club contribution several members donate time and money individually to La Escuelita.

Lion Jan Steever.

DHLC Club Picnic

Our Club's Summer Picnic, originally scheduled for August, is being rescheduled due to location conflicts and our concession work schedule. Watch for a new date, most likely in October. Guests including spouses, family members, friends not only welcome but encouraged

Lion President Kevin Davis

Concessions are our Bread & Butter

Soccer and Football are in full swing with Football Fan Fest and three soccer games already completed. Lions Andy and John staffed these games, but **more help is definitely needed**. Scheduled dates are shown in the newsletter calendar, and the club website where you can download the full schedule. **Mark your calendars and Let Lions Andy Steever or John Wiley know which events you plan to work**. We are switching to bottled drinks for the soccer games only, which will speed up operations at those events.

Lion Andy Steever leads our concession team, but needs someone to train this year to take the lead next year

Lion Andy Steever

Help Locate Lions Road Signs

Lion Rob could use some help finding any signs in our geographic area other than the two he is aware of on Statesville Rd heading North just past Home Depot, and on Griffith just before Lakeside heading into Davidson. . If any Lions could advise me I will check on each one for cleaning or repair as well as getting our website info for each. Once located, including those of clubs no longer around, he will determine their condition and see about replacing, renewing, or relabeling them, including adding club contact info. Please contact Lion Rob with sign location

Lion KidSight Program

With the transfer of PDG Dave Shimberg into the Davison-Huntersville Lions we inherited a Plusoptix, Lions KidSight Vision Screening System. We have already been invited to participate in a screening at the Love Denver Back to School Event, On Saturday, 8/21. **The** event runs from 10am – 2pm at the East Lincoln High School, allowing participating DHLC members to be back in time for the Club Picnic at 5pm. Please contact Lion Dave Shimberg, 704-906-1158 or davealans71@gmail.com if you wish to participate.

If you know of a Pre-School or daycare program, serving children, 6 months to 6 years of age, that may be interested in KidSight Screenings. Share KidSight program information with them or provide contact information to Lions Dave Shimberg..

If you are interested, or know someone who is interested, in becoming a screener, contact Lion Dave Shimberg. Non-Lions are welcome to participate as well. Thank you to all who support and participate in our Lions KidSight program.

Lion PDG David Shimberg

Welcome Guests

Lions Denzil and Mary Jean Bell joined us at the 8/16 meeting. These two Lions live in Denver, NC, but are transplants from Michigan. Both are experienced with the Lions KidSight Program, including the Plusoptix screening device we use.
