

Davidson-Huntersville Lions Club

Location Screening Instructions

Sponsored by

Thank you for sponsoring a Lions KidSight Screening, helping identify children with vision problems that could lead to severe vision problems, blindness, and learning disorders.

Your responsibilities include:

- Printing, distributing, and collecting consent forms
- Entering child information from consent forms, or providing student roster, into the KidSight Screening Fiile.csv. (NOTE: File MUST Contain Last Name First Name Date of Birth (mm/dd/yy), ID, Location (generally class/group name, ID and contact info are optional)

LastName	FirstName	Date of birth	ID	Location/class	Contact
Smith	M	3/2/2013	123	Blue Birds	F Smith

- Providing a screening area:
 - Without windows or where sunlight may be blocked with blinds/shades, and the lights may be controlled (dimmed/turned off) to maximize the child's pupil size of s, or an interior hallway.
 - 3 or more chairs for Screener, Registration person, and Child (Screener and Child chairs will face each other about 3 feet apart, Registrar will be adjacent to Screener.
 - Table for Registration , forms, and results printer (card table size or larger)
 - Electric outlet within 25 feet of screener
 - Waiting area for children and teacher/staff member
- Return completed result form to parents after screening
 - If referral is recommended on the reporting form label, the parent should be urged to have the child seen by an eye care professional. The parent should give the form to the eye care professional. Measurements which resulted in referral recommendation are highlighted.
 - Contact parents of children for whom referral was recommended, 4-6 weeks after the screening, to see of the child was seen by an eye doctor, and provide count to SouthPark Lions.
- If you and parents are satisfied with the screening, the SouthPark Lions appreciate a testimonial or referral to other appropriate Pre-K programs.
